Protection that goes further

The **Extreme Protection System** is the result of **ROLLER TEAM** research: the new technology for building of the living body that guarantees the **highest protection** for your **motorcaravan**.

The **Extreme Protection System** ensures high vehicle performance and provides.

High density extruded plastic more strength prevents water getting inside the wall.

STYROFOAM™ Better soundproofing and thermal insulation of the vehicle, it prevents any spreading of leaks to the vehicle interiors.

Laminated plastic on in the whole perimeter of the walls prevent any contact of the inner part of the walls with the water.

Floor thickness 75 mm for superb thermal performance and sound proofing of the vehicle. Fibreglass under the rear overhang (Garage versions) helps prevent against damage from road.

Anti hail roof in fiberglass

Walls in fiberglass

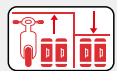

Outside floor panel protection: the outer underfloor of the motorcaravan is treated with a special protective waterproof covering which is stronger against impacts.

Choose the best for your

your storage

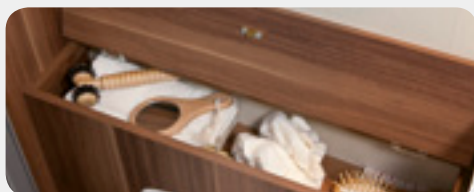

- Utmost attention to sizes, accessibility and loading capacity. Up to over 3 m³ and 200 kg (structural capacity).

Flex Space

- Flexible loading space due to the FLEX SPACE height-adjustable bed system for garage with variable volume for model T-LINE 700.

your elevating bed

Electric elevating bed. Maximum space: available height from floor 1900 mm, maxi-sized beds amongst the highest in their class. Maximum freedom: the dinette can always be used due to the possibility of stopping the bed in different positions. The kitchen is always available even with the bed lowered. Maximum comfort: flexible stave springs, access ladder with double position, LED lighting.

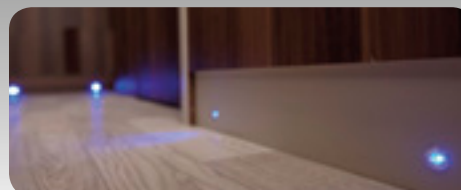

your dinette

Large-sized dinette table that can be moved and folded. Extremely easy to convert the dinettes into beds. Comfortable lounge with generous amount of seating space. Large, airy windows.

100 % energy efficient lighting Complete LED lighting

Courtesy light. Dimmable lighting.

in the kitchen

Maximum use of space and functionality to keep everything within reach. L-shaped or straight kitchens with cooker with three burners and oven available. Large-sized storage baskets and drawers with self-closing. Cooker top with separate glass cover. Maxi fridge up to 175 L. - (modell dependent)

in the washroom

All washrooms have wooden furniture and separate shower with solid door. Washroom ventilation with windows and skylight. Independent shower separated from the washroom.

ZEFIRO

Overcab

675
690 G

2 overcab models for an attractive, comfortable and reliable range of motorcaravans. Zefiro is worth much more than it costs.

Moderately-sized motorcaravans for comfortable journeys and holidays for the whole family, with rear fixed beds with garage or bunk beds.

All the information and photos shown herein are to be considered as merely indicative and do not constitute contractual specifications. Trigano S.p.A. reserves the right to make the technical and configuration changes considered appropriate to its vehicles and to change the equipment the vehicles are provided with at any time and with no official notice. Owing to the above, all the information concerning the specifications and equipment of every motorcaravan must be requested before purchase from the dealer, who, acting as sole point of reference, will confirm or rectify the data published herein, updating the customer on the actual features and equipment of the vehicle he/she is interested in and for which negotiations are ongoing. Trigano S.p.A. declines any liability concerning changes, including additions, and/or conversions made after the printing of this document and/or delivery of the vehicle.

Trigano S.p.A. operates with an Integrated Quality, Environment and Safety Management System by the new certification body TÜV.
